**The Mystic Circle.**  
The Fraternal Mystic Circle is in  
trouble at Columbus again. It will  
be remembered some time ago a  
question arose about its standing and  
square dealing, and an investigation  
was had resulting favorably to the  
Circle. Now again it starts anew.  
This time a suit is filed in the Com-  
mon Pleas Court at Columbus asking  
that a receiver be appointed.  
It seems the Circle has been very  
negligent in paying its losses, and is  
now far in arrears. On the other  
hand the Circle claims it is a scheme to  
break the order up. In any event  
the stockholders will not suffer by a  
little further investigation. Napoleon  
has a circle of the order, therefore  
we are all interested in the matter.  
We understand the state insurance  
commissioner says the business is con-  
ducted on the square.  
We can match your new dress with  
trimmings such as laces, and white  
and fancy braids.

**A Pony Can't Eat Heavy Wheat; it Takes**  
**a Good McCormick Horse.**  
ADAIR, INDIAN TERRITORY, )  
June 9th, 1894. )  
Mr. Wm. BROWNING, Gen'l Agent,  
Kansas City, Mo.  
DEAR SIR:—This is to certify that I  
purchased this season of D. W. Eaton  
at Claremore, Indian Territory, one  
Pony Deering Binder, and after giving  
it a thorough trial in heavy wheat  
found that it was an absolute failure.  
After spending several days trying to  
make it "eat heavy wheat," I quit in  
disgust. I then purchased a McCormick  
Harvester and Binder of S. M.  
Perry, of Adair, and can state with  
pleasure that it works to my entire  
satisfaction. G. W. CLARK,  
Ex-Circuit Judge of Cherokee Nation,  
Ind. Terr.  
Groschner sells the McCormick. 2t
